GUARANTEE

Endorsed by American Shorthorn Breeders' Association

1. Proper care shall be given by purchaser to protect breeding qualities and health of animals.
2. All bulls guaranteed breeders. A bull shall not be allowed to serve when under fourteen months of age or be allowed to run with herd when under twenty months of age. In case of failure to be a breeder notice shall be given to seller within six months of date of purchase.
3. Cows with own calves under four months of age by side are considered proven breeders. All other cows and heifers sold as single lot guaranteed breeders, except calves sold by side of dam as one lot and heifers under sixteen months of age at time of sale. Heifers shall not be served for the first calf by heavy or old bull. Cows and heifers over three months gone in calf, according to service date furnished at time of sale, but not proving in calf, must be reported to seller within three months from date of sale; all others served within three months of date of sale not proving in calf or not settled, must be reported within six months. Heifers not settled when twenty-two months of age shall be promptly reported. Heifers over sixteen months of age sold open, not settling within six months of date of sale shall be promptly reported.
4. Any animal not proving up to foregoing guarantee shall be replaced with another of equal value at the time of purchase to the satisfaction of the purchaser, but the seller may, if he desires, have the animal returned for retrial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case the animal proves to be not a breeder, then the purchaser shall be given the option of having purchase price refunded without interest or of accepting a substitute as stipulated above. No charge for feed or maintenance shall be made by either buyer or seller. Salvage to go to the seller. It shall be understood that the same guarantee given on the first animal shall likewise apply upon any animal later substituted.
5. All animals are sold subject to a sixty-day retest for tuberculosis, or to comply with laws of state into which they may be shipped. Animals shall be segregated from buyer's herd until the retest is made, except herd be a Federal accredited one. All tests for tuberculosis, either test before sale or retest, shall be made by a Federal or State veterinarian or veterinarian deputed by State veterinarian, who is cooperating with Federal veterinarian and qualified to do accredited herd testing. Purchase price to be promptly refunded upon proof of reaction and return of animal, except purchaser shall agree to accept a substitute.
6. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after close of sale and without trouble to the purchasers, but at their risk of loss or injury.
7. **TERMS:** Cash, except other arrangements are made with the consignors before sale. All settlements to be made with the Secretary of the Iowa Shorthorn Breeders' Association immediately after close of sale, but it shall be expressly understood that said Association assumes no liability, legal or otherwise, and that the above guarantees and terms shall constitute a contract between the consignor and purchaser of each lot.

Shipping vouchers will be attached to bills of lading on all less than carload shipments routed over those railroads granting one-half freight rate on pure bred cattle.

Where footnotes appear same has been supplied by the consignors.

Buy Your Shorthorns in IOWA

IOWA leads all other States in the Union in numbers and quality of its Shorthorns. This year and nearly all other years, the top selling animals at the American Shorthorn Congress came from Iowa. Two brothers of this year's Congress top and sons and daughters of a great many of the Nation's leading sires are offered in this sale.

THE BULLS herein listed possess the character and quality that make great herd headers, and the large number should encourage the attendance of buyers interested in a car load as well as Corn Belt breeders and farmers who desire to select a top from one of the best herds in the State. Breeders and farmers need the improving influence of such richly bred, modern type, prepotent bulls as are to be sold in this sale.

THE FEMALES combine the richest of pedigree value with quality seldom offered in consignment sales. Here then is the place to secure foundation material upon which to build new herds and to strengthen those already established.

Buy Your Shorthorns in IOWA

Buyers who wish to attend the McKelvie bull sale at Omaha on March 27th may leave Des Moines at 7:20 P. M. on the Rock Island, arriving in Omaha at 11:20 P. M. Or if they wish to attend the Iowa Shorthorn Breeders' Annual Dinner, they can board a sleeper any time between 9:30 and midnight and wake up in Omaha for breakfast. Cattle bought at this sale may be shipped to Omaha to be loaded with bulls bought at the McKelvie sale.

There are forty-two bulls to select from in this Iowa Royal Sale. Most of them are dark roans and reds and are old enough for immediate service. Every one is a good one.
